	Total Score (add your column scores)				
	If you checked off any problems, how difficult have these problems made it for you to do your work, take care of things at home, or get along with other people?	Not difficult at all	Somewhat difficult	Very difficult	Extremely difficult

Credit/Debit Card on File, No Show & 24-Hour Cancellation Policy

Hometown Family Medicine and Women's Health has implemented a credit card policy.

We kindly request our patients' or guardian/guarantor for a credit/debit card which may be used later to pay any balance that may be due on your bill. Co-pays are still due at the time of service.

Once the insurance explanation of benefits is received and posted to your account, you will be sent a statement showing your portion of the balance due. You will receive one bill which will show what will be charged to your card in 30 days. If you prefer to pay by an alternative method, you may do so during that period. If you do not wish to make any payment method changes, just hold onto the statement for your records and your card will be charged. Additionally, a receipt will be emailed to you once the card is charged.

No show and 24-hour cancellations

Because it is difficult to fill cancelled appointments without sufficient notice, appointments cancelled without 24-hour notice and missed appointments will be charged a \$50 fee to the card on file.

If you have any questions about the card-on-file payment method or balances due, please do not hesitate to contact our office.

Credit Card Authorization Form

Please complete all fields. You may cancel this authorization at any time by contacting us. This authorization will remain in effect until cancelled.
